**SMALLPOX ON HAWAII**  
On the 21st of March, Manuel Lopez,  
a Porto Rican laborer, was found by  
Dr. Goodhue in a little shack among  
the trees between Napoona and Ka-  
lakou, about a quarter of a mile  
away from the road, suffering from an  
eruption which the doctor called vari-  
oloid. It was just beginning and the  
man was yet up walking about. Dr.  
Goodhue at once placed him in quar-  
antine, engaged a nurse to take care  
of him, securing provisions, and notifi-  
ed the police of his quarters, with in-  
structions that none should go or come  
from the place.

On the 27th Mr. Bowman, chief san-  
itary officer of Hilo, came over and  
found everything satisfactory.  
As soon as Dr. Goodhue found the  
man and learned that he had come  
from Hanalei, he telephoned to Dr.  
Brown there and found that two  
months previously there had been  
some "unpleasant" cases among the  
Filipinos who had come from Maui.  
Later it was found that Lopez went  
to Waikeke, Hilo, and worked there,  
coming to Pihalea, then to Kona. On  
the 24th or 25th two or three cases of  
varioid were found at Waikeke, mak-  
ing the history clear. The attendant  
on Lopez had been vaccinated, but was  
revaccinated by Dr. Goodhue as a pre-  
caution.

The original case is convalescing  
rapidly, being about, with no evidence  
of disease except some well-defined  
scars on his face. No new cases so  
far.  
This shows the value of prompt and  
rapid control of all such diseases, es-  
pecially in a region like Kona, where  
any considerable spread of the disease  
or any disease would be hard to check.  
In the last few months several cases  
of diphtheria have been treated in the  
same way, with no spread outside of  
the original family, although occurring  
in the plantation camp. So with two  
cases of infantile paralysis.  
The recent typhoid epidemic in Kona  
was confined to a group of native  
houses on the mountainside, and did  
not spread outside. Not one of the  
last year infected houses was re-in-  
fected. Early and thorough segregation  
will always prevent spread of dis-  
ease, it seems.

SIMPLY LIGHT AND  
INSERT TUBE

Warmer does the rest

**The Welkom Warmer**  
Size 3 1/2 x 5 1/2 inches, weight 4 1/2  
ounces.

The only modern, safe, effective and  
sensible substitute for the antiquated  
Hot Water Bag.  
No water to heat—no rubber to rot.  
Will last for years.  
The Warmer is made of metal heated  
within one minute by the lighting  
and insertion of a paper tube con-  
taining a harmless, smokeless, and  
odorless fuel generating a uniform  
heat which lasts over two hours at a  
cost of less than one cent. It is curved  
to fit any portion of the body and held  
in place by means of a bag and belt  
allowing the wearer to move about at  
will.

**AS A PAIN KILLER**  
The Welkom Warmer has no equal.  
It can be put into constant action and  
is indispensable in cases of rheuma-  
tism, lumbago, neuralgia, sciatica,  
cramps, etc.

By placing the Warmer on the af-  
fected part the heat being dry, not  
moist bakes out the cold. Physicians  
say that the moist heat of the hot wa-  
ter bag, will not cure but aggravate the  
ailments above mentioned.

Many have been sold—not a single  
complaint.  
Complete outfit including Warmer,  
bag belt, coil and 10 tubes of fuel sent  
prepaid to any part of the U. S. up to  
receipt of \$1.00.

If you wish to know more about this  
wonderful device write today for free

## RECREATIONS

## BIJOU

The famous Hidalgo, the graceful  
artists from Madrid, Spain, will give  
their famous dance of Argentina, "The  
Machicha," which is decidedly origi-  
nal. In her song, "La Toquilla," Se-  
norita Hidalgo renders the catchy  
music in Spanish, in her own fascinat-  
ing manner, and in the dance following  
it, with Senor Hidalgo, she gives evi-  
dence that she is one of the daintiest  
of her nation. Senor Hidalgo is an ex-  
ceedingly graceful dancer. "The Bo-  
lero Espanol," to be seen tonight, is one  
of their best. Jones and O'Brien will  
present their side-splitting farce, "The  
Soldier and the Zulu." Last evening  
two Russians, in their national dress,  
appeared as amateurs and made one  
of the greatest of hits. Their music  
and dancing were typically Russian and  
their costumes in keeping. They were  
given an ovation.

## SAVOY

A cracking good film is one of the  
main attractions at the Savoy, depict-  
ing a side of cowboy life, which is well  
acted out. It is the story of a hero—a  
young ranch foreman, wrongfully ac-  
cused of theft. He is chased and the  
man hunt is thrilling. It all ends well,  
but the horseback riding, the scenery  
and the situations are all tense. Hilda  
Carle is becoming more and more pop-  
ular with her songs, which are all up  
to date and the most recent successes  
on the mainland. Hesse still continues  
to juggle his way to favoritism.

## EMPIRE

All four of the theaters of the Ho-  
nolulu Amusement Company—the Em-  
pire, Bijou, Savoy and Park—will pre-  
sent programs tonight which will be  
the best and most varied of their car-  
riers. At the Empire tonight, in ad-  
dition to the midget, Princess Susana,  
and Whittier and Crosson, the strong  
vocalist team, there will be shown an  
unusually attractive film which depicts  
a story of the old frontier life, when  
a band of Indians declares war, has a  
war dance, and moves upon the unsus-  
pecting frontierspeople. A little Indian  
girl warns the settlers and most of  
them are saved, while she gives up her  
life. The midget will give her tight-  
wire act, and Whittier and Crosson  
will render a series of popular songs.

## NEW THEATRE

## OPENS TONIGHT

The Independent Theatre begins a  
life of entertainment and amusement  
tonight. There will be a rush for the  
new house of moving pictures and  
vaudeville on Hotel street, near Nu-  
uanu, and much satisfaction will be  
obtained by a visit to the latest of  
Honolulu's theatrical headquarters.  
The place is comfortably arranged,  
ideally ventilated, thoroughly lighted  
and everything throughout is new.  
Four films have been selected for the  
opening show—two of stirring adven-  
ture and two of roasting high. Prices  
10 cents and 5 cents.

## COLLEGE HILLS

## LOTS AUCTIONED

At the auction sale of the College  
Hills lots at noon today, under the  
supervision of the Realty Auction  
Company, Ltd., of the Trent Trust  
Company, eight desirable lots were  
sold for \$8,160. The purchasers were  
rather slow in following up the sale  
with Auctioneer S. S. Paxson at the  
wheel; but within half an hour after  
the hammer dropped, there was a sub-  
stantial amount realized by the Auc-  
tion Company.

Preceding the sale, which was or-  
dered by the trustees of Oahu College,  
R. H. Trent read the conditions, under  
which the purchasers were to bind  
themselves. This done, Auctioneer  
Paxson proceeded to sell the different  
lots. The first purchaser was W. A.  
Kinney, who bought three lots, name-  
ly lots 1, 3 and 12 on Oahu avenue,  
for \$2560. He paid \$1040 for lot 1;  
\$880 for lot 3 and \$640 for lot 12.  
Mrs. Overend was the highest bid-  
der of lot 18, block 9. She paid \$1375  
for it, after bidding against oppo-  
nents. J. E. Higgins paid \$1235 for  
lot 14, block 12, Oahu avenue. E. J.  
Stone got lot 4, block 13 for \$1030. N.  
B. Young, who purchased lot 9, block  
6, paid \$1000 for it.  
P. C. Jones, Ltd., bought lot 7,  
block 13, on Manoa Road, for \$960.

## POPE INVESTIGATES

## HILO SCHOOL RACKET

(Special Bulletin Correspondence.)  
HILO, Apr. 7.—Superintendent of  
Public Instruction Pope arrived here  
last Wednesday. He has been holding  
forth at the chambers of Judge Par-  
sons ever since, conducting an investi-  
gation of the charges made against  
Principal Richmond of the high school.

Pope has based his investigation  
mainly on the petition from parents of  
high school pupils, which was sent to  
the department last week, and which  
asked for the removal of Richmond  
and the reinstatement of Mrs. Compton.  
Pope is taking a strong and de-  
cisive stand in the matter, and while  
the community may not be satisfied  
with results, it appears that he is giv-  
ing both sides a fair chance.

The investigation has not yet been  
concluded, but will probably end this  
afternoon. Pope has called as wit-  
nesses the signers of the petition, as  
well as others, but as far as can be  
learned, he has received no definite  
evidence as a basis for charges, all the  
testimony given so far having been  
hearsay. In the whole the grounds ap-  
pear to have been mainly based on  
certain affidavits and other evidence  
said to have been gathered by Mrs.  
Campton's attorney, Carl Smith. He  
has been asked to appear as a witness,  
but said that he could not get his evi-  
dence ready until this afternoon. All  
the testimony is being taken down by  
a stenographer, and Pope will, unless  
he finds that he can settle the matter

satisfactorily here, submit it all to the  
board of commissioners, which will, in  
such case, be called to meet next week.

Owing to the fact that the investi-  
gation is not over, it is, of course, im-  
possible to make predictions, but, judg-  
ing from the evidence given so far, it  
would seem probable that Mrs. Com-  
pton would stay out, and that Richmond  
would be cleared.

## GOLDEN GATE KENNEL

## CLUB'S SHOW IN MAY

The Golden Gate Kennel Club will  
hold its annual show at the Audito-  
rium, San Francisco, on May 4, 5 and  
6, 1911. As the show will be held un-  
der American Kennel Club rules, the  
Golden Gate club has been in a posi-  
tion to make its selection of judges  
from the best-known canine authori-  
ties in the world, in striking contrast  
to outlaw organizations that are  
obliged to fall back on disqualified  
judges of unknown merit.

The foremost English all rounder,  
Walter H. Reeves, Esq., of London,  
Eng., has kindly consented to take a  
trip across the pond and American  
continent, a journey of over 7000 miles,  
to pass on the merits of the breeds to  
be exhibited at the local show. The  
officers of Golden Gate Kennel Club  
are Charles K. Harley, Irving Ackers-  
man, J. Max Taft, Anton Korbel, Harry  
Hastings, Alex. Wolfen and J. A. Fol-  
ger.

American Kennel Club shows are  
known all over the world, not alone  
for their quantity, but for their quality  
also.
